Of approximately 400 finished histories published by CIA History Staff, 69 volumes are contained in the DDA series. Distribution by Offices in the DDA is:

OC	-	9
OL	-	17
OMS	-	6
OP	-	15
OS	-	9
OTR	-	12
OF	-	<u>1</u>

69 completed

Copies of all but two of the completed DDA volumes are in custody of both the DDA Registry and the Historian's Office. A sensitive volume published by the Office of Logistics and one published by the Office of Security are in custody of those offices. For the most part, the volumes reflect component activities through the mid 1960's, with notable exceptions in the Logistics and Personnel series, which carry the history forward through the early 1970's.

An additional 222 histories have been published in the DDO series, 37 in the DDI, 7 in the DDS&T, and there are 22 miscellaneous histories on subjects such as organizational history of CIA, some of the DCI's, and aspects of national intelligence. Except for the sensitive items noted above and the DDS&T volumes, a complete set of the published histories, numerous unpublished manuscripts, and a variety of miscellaneous historical papers are filed with the Historian's Office, 203 Key Building,
